If they could see us now . . .

JANET C. JONES

Janet;

About 7 years ago, you entered my life in a casual way, and saw at a glance, what I needed: there were others who met & passed me each day, but never a one of them needed. you said just the thing I wanted you to say, and you made me believe that you meant it. for that reason, I resolved to hold my head high, in the old gallant way. Jan, you have made of my life, not a research, but a song, out of the kindest my life, not a tavern but a temple, you have done it without a word, without a sing song sign; you have done it by being yourself. knowing you has been a real pleasure, Jan. I like you, alot, why you can't understand that, or anything else that I say, or tell you, I can't figure you out. Marie Ruth! Janet Yeh! ☺ Janet, I don't know what to say, Except, knowing you has been a real treat. I wish you the Very Very Best in all your future Endeavors, what ever they may be. As you told me, Once you're rich and famous, you call me. Going places, and being with you, has been truely terrific. I know that Once you attend to your self, you'll be a better person ☺. In School do the best that you can; and you will go far.

Smile

I remain, your Eternal Very Friend

Janet, 188
I've enjoyed being
acquainted with you
these past few years.
I'm glad to know that
there is more than
one Christian-minded
person at Winfield.
Stay as you are and
I know that God will
smile upon you. If
you don't do anything
else, keep Christ first
in your everyday living
and He will do the same
for you. Success will
be yours if you hold on
and strive for your
highest goal. I love
you very much. Keep
in touch (969-7595)

Leah Curry

When you're down in
spirits, look to God
He's the only one who
can brighten a gloomy
day.

Janet, S.
I've known you for
a very long time, in
fact since kindergarten.
But that time has come
seemed like it would
never get here But now
it is. I give you all
the best wishes and
success. Stay sweet
and fulfill that future
that you have. Now is
the time. Love + Remember
always
Yvonne Walker

To Jan. 186
I have only been
years that I have known
you, but they have been a
real treat. I hope that you will
never forget me in the years to come.
We may never see each other again, but if
we just happen to meet, give a smile and
say hello. Jan, I will always remember those
days that we had together. Don't, please Don't forget
me.
Yours, Donna Partee

Janet,
a wonderful young lady who
I always remember and I never
forget the good times we had and
as these days go by the sadder
I become knowing you won't
be hear next year. But we all
have to leave when it's our turn
to graduate. Good luck to your
future I hope it will be what
you want. Love and Remember
always Percy Foster 5/19/83

What is time about?
The silence of solitude,
The challenge of adventure,
The need to need,
The desire to press onward,
Is that the answer?
We quickly learn to live
Each moment for its worth.

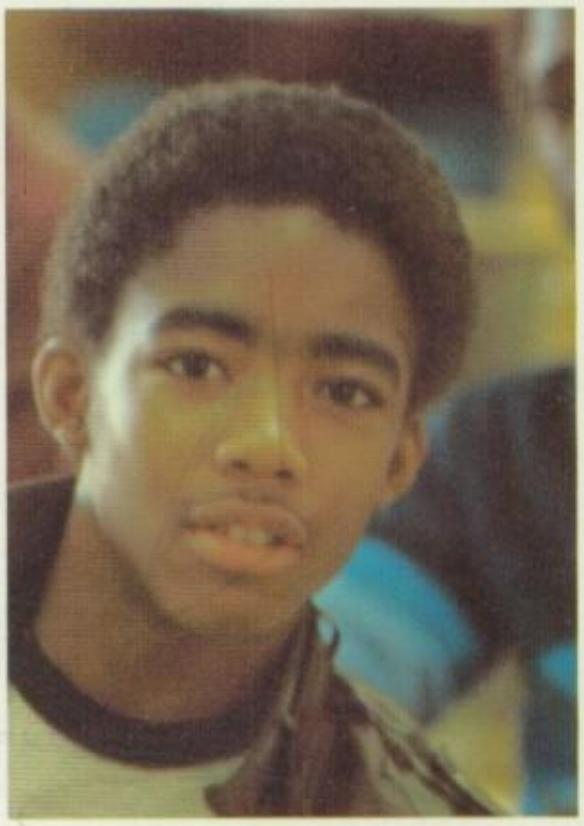
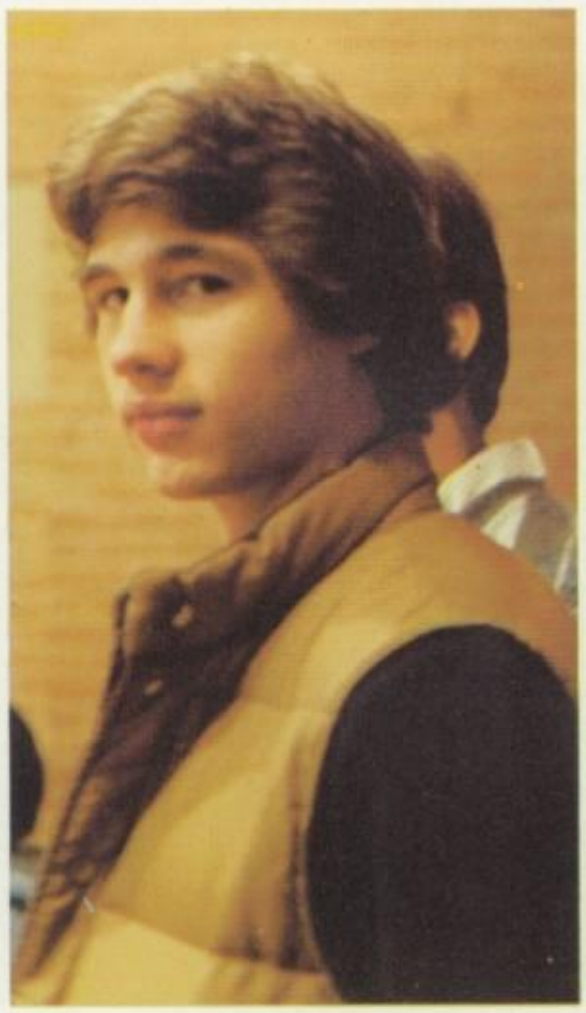
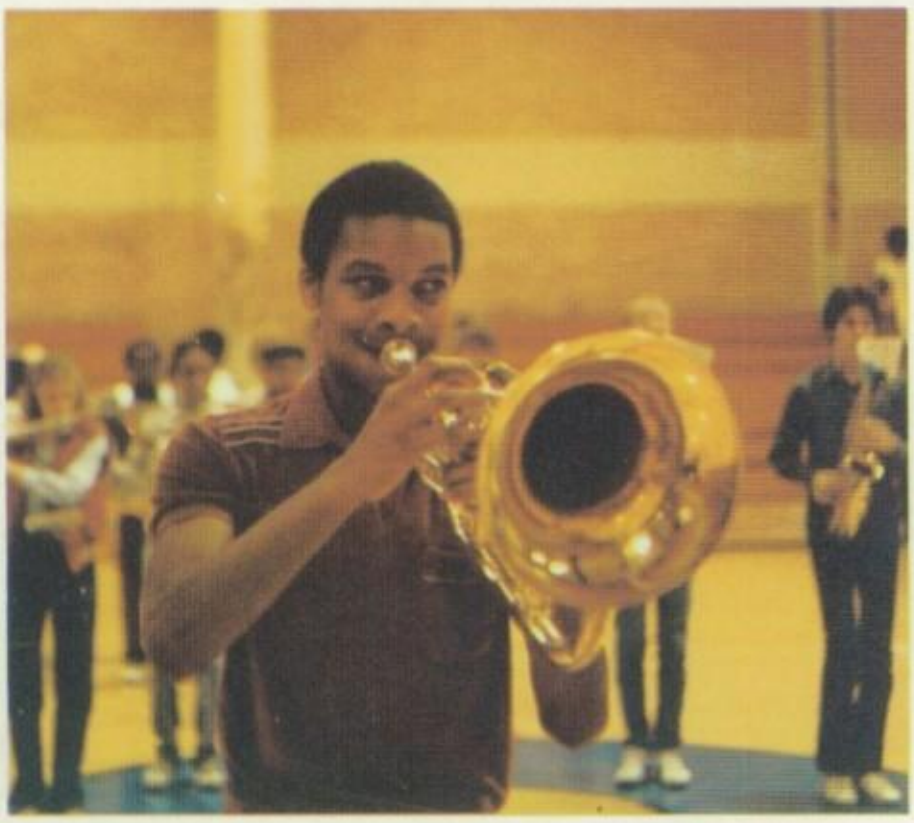
To everything there is
a season, and a time to
every purpose under heaven.
Ecc. 3:1

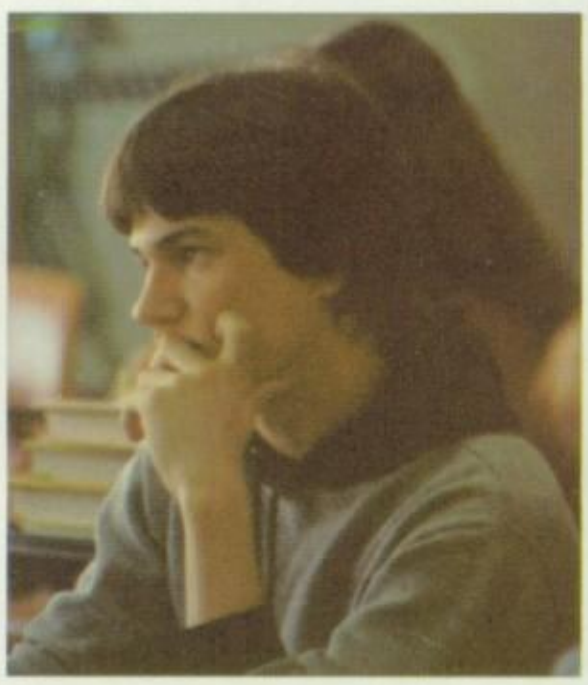
Today we watch the sunrise.
We think of the aspirations
And goals that we will reach.
We ponder the work we will do
And the fun we will have.

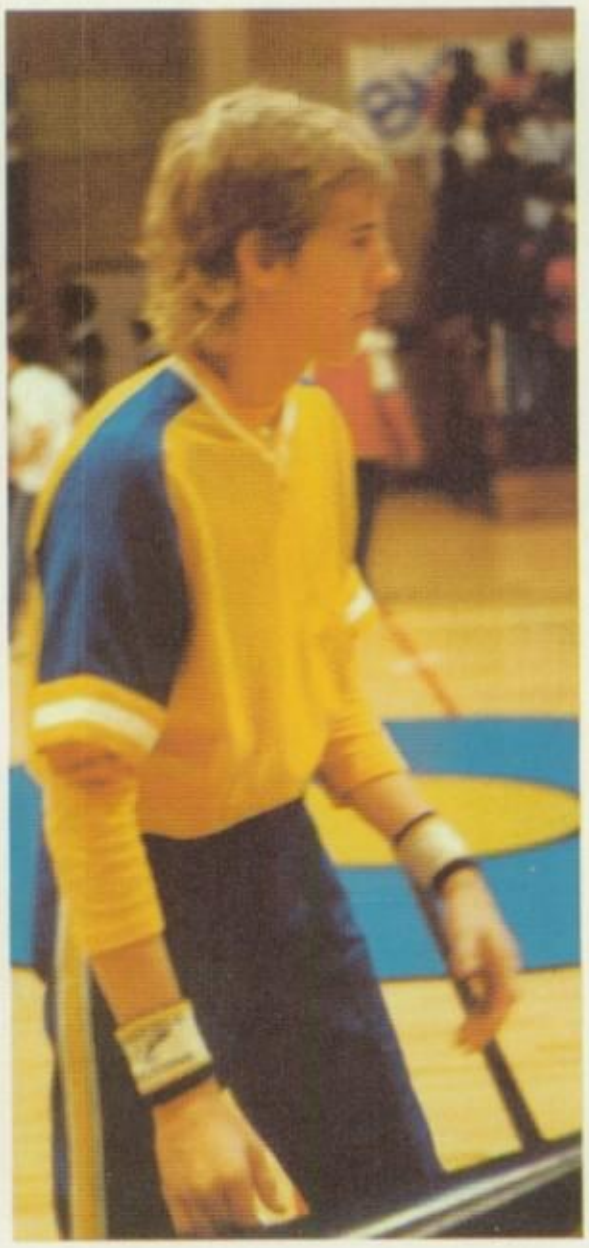


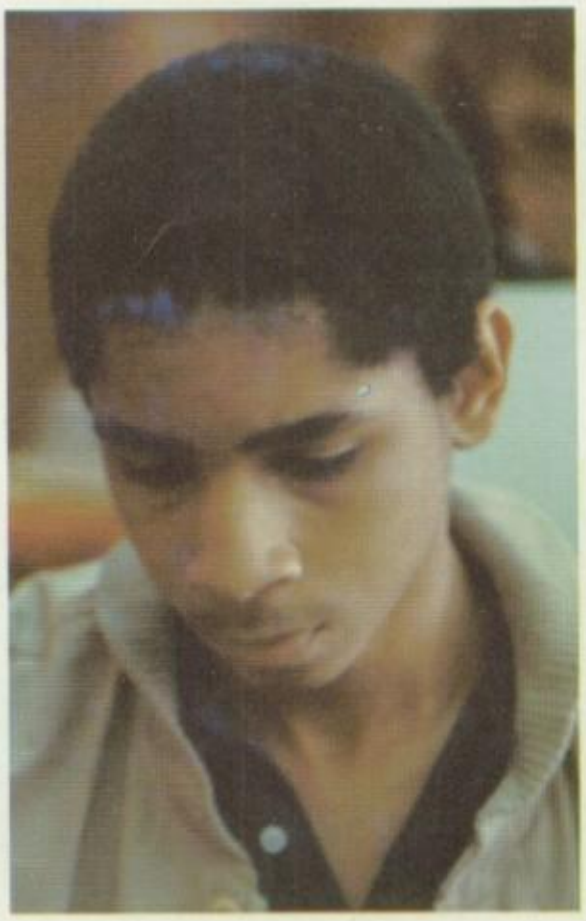




We laugh and cry together
As we make our way through.
We never lose sight of our
goal;
It's always before us.







We stop awhile
To see what we've left behind
us.
We only smile
Because what we've left
behind
Is helping someone else
To find his way.

After the Winter comes the Spring
To show us again that in everything
There's always renewal divinely planned,
Flawlessly perfect, the work of God's Hand . . .
And just like the seasons that come and go
When the flowers of Spring lay buried in snow,
God sends to the heart in its Winter of sadness
A springtime awakening of new hope and gladness,
And loved ones who sleep in a season of death
Will, too, be awakened by God's life-giving breath.

FOR YOUTH

What you're going in this life now — involved in your school work and all — is important, but it's *not* as important as what you're doing about the next life. Don't forget to feed your spirit on the Word of God so you'll be properly prepared for the most important thing . . . the next life!

. . . But God shows His own love toward us in that while we were yet sinners, Christ died for us . . .

To Janet:
You are a real nice and sweet person. You're the nicest friend that I have. You're like a sister to me. Although I didn't know you very well at Blackburn, I'm glad we got a chance to get to know each other better. Stay just the way you are and I know you'll go far in life. We had lots of fun together and I hope that we have more fun. Don't forget about me cause I won't forget about you. Here's my phone number. 924-5340. Call me sometimes. If you go out of town again, here's my address: Lot B6 Springridge Mob. Est. Clinton, Ms. 39056. Sorry you didn't go to the prom but we'll make it up.

Love You

P.S. Sorry about the mistakes!

To: A very nice young lady, whom I have known for a long time, and it has been nice. Remember? that time I had a party in the 5th or 6th grade and your mom brought you over to my house, it was fun. Remember, we used to call each other and talk about how mean your sister was, cause she used to all ways make us hurry up and get off the phone. But it was fun, but it have been nice going to High School with you. Good Luck in your Future Plans.

If you leave town write:
